YOU'RE IN CAPABLE HANDS

All our chefs are qualified in the art of Thai cuisine and have years of experience in cooking and training throughout Thailand, any have worked not only in Thailand but in some of the best restaurants throughout South East Asia.

To offer our customers more than just an authentic taste of Thai, many of our restaurant menus let you travel across the border and sample some of the exciting flavours of Thailand's Asian neighbours.

HEALTH BENEFITS

Thai chefs use less fat, small amounts of meat and a variety of vegetables. Thai herbs help digestion and the gastro-intestinal system.

“Eating Thai Style will enhance the body with appropriate nutrients, energy, minerals, vitamins and dietary fibre for preventing coronary heart disease, dyslipidaemia, strokes, obesity, diabetes and some cancers,” says Dr. Luecha Wanaratan.
